Testimonials

Let me share two reviews first, so you can see first-hand how **The 22 RAYS** serves each person individually according to their needs.

'A magnificent and manageable gift'

'The 22 Rays Light Program has been one of the most inviting, powerful, joyful and humbling experiences. I have been in awe at the simplicity and great power of the daily teachings. So beautifully presented and manageable time wise to incorporate into our busy daily lives. Thank you Harriët for bringing through such a magnificent gift for us all to share... with such purity as always!'

Eluna Norris, England

'This is a programme for life'

'It was an adventure to receive The 22 Rays every day, it gave an edge of anticipation and fun to each morning as I looked at the emails. Overall it was interesting to feel my reaction to each ray. Sometimes I felt, Yes, I really need this one, and other times I felt its absence and it was a bit of a wake-up call to think about where it was and why I couldn't feel it. On some days it seemed to mirror what was in my life. It also highlighted how important all these aspects are in my own life. I would not have pinpointed them all so clearly. This a programme for life and well worth the investment.'

1 – The Ray of Harmony

Let me now reveal three Teachings from **The 22 RAYS**. In the actual email program, you will receive every morning The Ray of The Day, a five-minute transmission of an aspect of The Mary Magdalene Light. Each Ray represents a specific Feminine Quality which will (re)connect you to its essence. In the following Teaching, The Ray of Harmony first explains itself and then offers its healing potential to you:

'Left, Right
Yin, Yang
Feminine, Masculine

I balance the opposites.

Dear one,
Allow your left and right brain to harmonise
For the ultimate experience of balance
Between the opposites within yourself.'

2 – The Ray of Groundedness

In this Teaching, The Ray of Groundedness (another Feminine Quality) explains itself and offers support.

'I tickle the Earth beneath you
And warm Her with Love
For her energy to soften and rise.

It is with gentleness
That I invite you
To Trust the Power of The Earth Mother.

Her energy is omnipotent
Feeding us all
Into existence.

How receptive do you dare to be?

Dear one,
Allow yourself to be fed increasingly
With the omnipotent Love
Of your Earth Mother.

Allow Her rising Love
To nurture you
Into the ultimate manifestation
Of your Divine Self.'

3 – The Ray of Joy

In this third Teaching, The Ray of Joy defines itself and offers support.

'My name is Joy
I offer pleasure,
Great happiness.

However,
When your senses are
Surrounded by mist
Or even wounded,
Real Joy cannot be experienced.

One has to have access
To clear senses
And a state of relaxation
To manifest a Joyful Heart.

A Joyful Heart
Inevitably leads to
Liveliness, playfulness,
Passion for life.

A Joyful Heart
Is life's ultimate achievement,
But on the way
We must practise joy.

Dear one,
Allow me to help you
Experience joy,
Even when your heart is heavy
For life is to be enjoyed.'

Q&A – Answers to your questions

I have received over time, many questions on The 22 Rays of The Mary Magdalene Light. Let me share the most frequently asked ones with you. Maybe you have the same queries.

1) What is a Spiritual Light?

A Spiritual Light is not to be confused with the light on a screen or from a light bulb. It is Light from the Universe, given to help humanity heal and evolve. The Mary Magdalene Light is the feminine aspect of the Christ Light and a portal to all Divine Feminine Forces, including The Divine Mother aka The Womb of Creation.

2) How can an email share Spiritual Light?

The 22 emails that you will receive in your inbox are a result of my spiritual development with The Divine. As I have continued to grow with the guidance of Divine Light, I was given the ability to co-create with The Divine, and thus deliver The Mary Magdalene Light to you by email.

3) At what time of the day should I open my emails?

As soon as you open your daily email, you will receive a five-minute shower of The Mary Magdalene Light. Opening your email activates the Light. It is important that you take about 15 minutes to receive and integrate it before resuming your daily activities. You decide each day the best time to receive your Boost of Light.

4) Can I do the program again if I have participated previously in The 22 RAYS?

Yes of course! By repeating **The 22 RAYS**, you will deepen and enhance your connection with the 22 Divine Feminine Qualities present within yourself. Over the years, many people have repeated it again and again. This is how we know it is our most popular program!

*If you have another question, please [email me](#).
I am happy to connect personally and explain more.*

Some more testimonials

'Happier and less daunted by daily struggles'

'The "Parcels of Light" delivered over the 22 days brought me great warmth and peace. I felt happier, less daunted by daily struggles. Life went on, but my attitude shifted to feeling blessed and blissed. I was definitely less snappy with loved ones, I had more patience, I awoke with a smile on my face totally refreshed. Value for money, oh yes it was.'

Darryl, United Kingdom

'Profound and inexplicable'

'I want to thank you infinitely for facilitating and bringing this work to us, it has had a profound impact on me and I am still receiving the rays in a way I cannot explain.'

X., South-Africa

'Connecting with all 22 qualities was very empowering'

'Although I didn't manage to open your emails as regularly as I wanted, and I fell behind, I had the feeling that I received each ray exactly at the time I needed it. To connect with all these wonderful qualities inside myself, was very empowering. Looking back I can say that being in The Mary Magdalene Light for 22 days helped me to deepen my awareness of what it is like when I am connected to my inner Light.'
